WHERE IN THE WORLD?
Bavaria, Germany

Oberstdorf, Germany

WHY TO UR HERE?

At the very southern tip of Germany you'll discover Oberstdorf, a pretty village that makes an ideal base for a hiking or skiing holiday. Gary Blake and Wendy Johnson recently visited the area; you can read about their trip in this month's Grand Tour (p 26). They're pictured here by the village's lovely Stillachbrücke covered bridge, en route to the Stillachtal Valley.
